Ways to Support the Museum

There is no admission charge to enjoy the museum. We believe that the history we have collected belongs to all of us and should be freely shared. You can help support our effort with a generous financial gift, or by offering to add meaningful artifacts to our collection, or both.

Because we operate as a non-profit foundation, we rely solely on donations and grants from our patrons and supporters to fund for our operations. Our staff is all volunteer and all revenues available to the museum are used to maintain these facilities for all to enjoy.

Thank You!
